

Space Family Education Summer 2011

This summer SFEI is taking care of the added financial fees that families typically pay during the summer weeks. The additional costs that will now be covered include: all the in-house activities, plays, splash days, clowns, magic shows, carnivals, luau, performances, science activities and cooking projects. The only fees that SFEI families will need to pay will be the off-site field trips for rooms 4-9. If you are not attending SFEI during a field trip week you will not need to pay that field trip fee. Field trips fees cannot be credited or paid back if you decide not to attend after a payment is made.

We are looking to purchase our own popcorn, snow cone, and karaoke machines for multiple uses this summer. If you have one that you would like to donate or even sell please let us know.

The following field trip fees cover the whole summer

are due June 6:

Room 4 \$14

Room 5 \$9

Room 6 & 7 \$41

Room 8 & 9 \$55

Summer Supply List Rooms 2-9

To help make our summer more enjoyable for the children we will need you to bring a few items. Please provide 3 of the following items by the first day of the summer program. (June 6).
